# Forced to Vacate Warehouse

Easy  
Club Terms  
Easily  
Arranged

The members of the School Board, City of Richmond, insist on possession of our warehouse site on Pulliam Street no later than July 1, 1922, to permit erection of new school building to be completed very shortly. In order to move our vast stock of furniture and housefurnishings, prices have been literally SHOT TO PIECES. We are determined that every piece of merchandise now occupying space in our warehouse must go. Newly-Weds, June Brides, Housekeepers and Boarding-House Proprietors are urged to investigate these Phenomenal Bargains.

The Blue Bird Is Built to Last a Lifetime

It is built of metal throughout—the strongest, most efficient washing machine ever offered. The cabinet is white enameled, has table top, waist high, and all working parts are enclosed—absolutely safe, beautiful in appearance, easily kept clean. The tub is of heavy copper, tinned inside and perfectly smooth—cannot harm the finest fabric. The frame is strongly constructed—mounted on four roller-bearing casters—easy to move. The wringer is adjustable and extra size—full 12 inches wide. The electric motor operates both the washer and the wringer—it is strong, dependable, waterproof—made and guaranteed by the Westinghouse Company.
